Amigurumi snake is crocheted in the round. Do not join rounds. Mark the beginning of your rounds with a stitch marker or safety pin. I use the same yarn left from the beginning, choose the best way for yourself how to mark the rows. You will have lots of photos to help you!

Size: with 2mm crochet hook: 40 cm

Tools and materials what you'll need:

Cotton yarns, 10mm safety eyes with slit pupil, for filling: preferably sheep wool or fibrefill. Stuff gradually. For hand painted safety eyes please look at my Etsy shop: [TinyAmigurumi](#)

Crochet skill level:

Intermediate level: requires knowledge of basic crochet terms: Crocheting in the round, forming a magic ring, single crochet stitch (sc), single crochet increase (Inc), single crochet invisible decrease (Invdec)

Terms:

“Magic ring”: adjustable loop with 6 sc, pulled together tightly, there is no hole left.

“Neat finish”: one method to finish a toy piece in amigurumi.

Abbreviations used: **Sc** – single crochet; **Inc** – increase; **Invdec** – invisible decrease;

Amigurumi snake pattern:

- 1) 6 sc into magic ring
- 2) 6 x Inc (12 sc)
- 3) 12 x Inc (24)
- 4-5) sc all around (24)
- 6) 1 Inc, 11 sc, do the same(26)
- 7) 2 x Inc, 11 sc, do the same(30)
- 8-9) sc all around (30)

- 89) 8 sc, 1 Invdec, do the same (18)
- 90- 99) sc all around (18)
- 100) 1 Invdec, 7 sc, do the same (16)
- 101-107) sc all around(16)
- 108) 6 sc, 1 Invdec, do the same (14)
- 109-115) sc all around(14)
- 116) 1 Invdec, 5 sc, do the same (12)
- 117-121) sc all around (12)
- 122) 6 x Invdec(6)
- Do the „neat finish“: photos 10-13

1.
Here you can see how I use yarn left from beginning to mark rows.

2.
If you use safety eyes, place them between the 12 th and 13 th rows, do this once you have completed the 16 th row. I would advise you to make pre- holes with the end of your crochet hook for easier insertion.

3.
Here You see safety eye
without the washer.

4.
For easier placement I push
the washer with two fingers at
the same time.
Before attaching the washer
be sure the eyes are in the
right place because you
can't make changes once
the washer is on.

5.
Here You'll see the safety eye
after attachment.

6.
Now You can stuff, You can
use the other side of the
crochet hook. Stuff the head
really tightly.

7.
1/3 of the work is done. Stuff gradually.

8.
I also use another yarn as a row marker, because the yarn of the beginning is now too short.

9.
Finishing the snake: it's a bit hard to crochet and even harder to stuff. Again I use the other end of the hook. I use wool for stuffing.

10.
At the end, I cut the yarn and start to make „neat finish“. For that I pick up all the sc left, one or two at the time and...

11.
...I pull them together, this
creates a neat finish.

12.
Then I start to hide the yarn.

13.
Then You'll have a neat finish.

14.
Properly hiding the yarn gives
toys a better finish.

15.
You can embroider your snake as You wish.

16.
Even simple stripe is nice.

Well done, Your snake is ready!
