

**Skill level 2  
Roster to Crow About**

*Designed by Nancy  
Valocik*

**Supplies:**

- 1/4 yd. main fabric
- 1/4 yd. coordinating fabric
- Glue
- 1 square gold felt
- 1 square red felt
- 1 bag stuffing
- 2 - 6mm black beads
- 2 - 12" pieces of 18-gauge wire

**Directions:**

1. Print and enlarge pattern to 200%.
2. Trace 2 body patterns (#1) and one center pattern (#2) onto main fabric and cut, leaving an extra 1/4" around edges.
3. With right sides together, sew one body to each side of center, starting at leg opening and stopping 1/4" from point of center piece. Stitch remaining body together leaving opening on back. Fold under leg opening 1/4" and baste around feet, leaving thread for gathering.
4. To make feet, bend a wire piece 2" from top. Make 1 loop for the back toe and 3 for the front, about 1" long. Wrap remaining wire up and around first 2" and trim. Repeat to make second foot.
5. Cut 1/4" strips from the gold felt and wrap each foot, gluing where necessary. Insert the feet into the legs and pull stitches tightly around foot. Stuff body. Check position of feet so rooster stands.
6. Put wrong sides together of two pieces of main fabric. Trace tail feathers pattern (#3) onto right side. Stitch on traced line, leaving bottom open. Cut around stitch line. Fringe edges. Stuff feathers. Hand-sew a gathering stitch across opening. Pull to secure ends. Sew or glue feathers in opening on body. Repeat with main fabric, then stitch opening closed.
7. Trace head pattern (#4) onto coordinating fabric with right sides together. Sew on traced lines leaving bottom open. Turn. Put a small amount of stuffing into head, glue onto body. Stuff side of head lightly, then fringe bottom. Repeat with main fabric, stuffing near head top, and glue over first head.
8. With wrong sides together of coordinating fabric, trace wing pattern (#5) onto one right side. Stitch on traced line leaving small opening for stuffing. Cut out leaving 1/4" for fringe. Stuff, then stitch opening closed. Stitch 2 rows through wing to quilt. Glue to side of body. Repeat for 2nd wing.
9. Trace 2 beak patterns (#6) onto gold felt and cut out. Fold in half, glue together to form beak. Glue in place.
10. Trace 2 comb (#7) and 2 wattle (#8) patterns onto red felt and cut out. Glue matching pieces together. Refer to photo and glue in place.
11. Trace 4 eye patterns (#9) onto red felt and cut out. Glue 2 together, then sew a black bead to felt eye. Glue on to side of head. Repeat for 2nd eye.

**Skill Level: Some experience helpful**

**Approximate Crafting Time: 2 hours**

Due to seasonal nature of project, supplies are available for a limited time only. Please read all instructions prior to beginning; read and follow all manufacturers' instructions for all tools and materials used. Provide adult supervision if children participate in this and all craft projects. **leave open**

The image shows three stylized, grey feathers with black outlines, arranged in a fan shape. They are positioned on a grey, trapezoidal base that is tilted upwards to the right. The feathers are curved and pointed at the top. The text "#3 feathers" is written vertically in the center of the middle feather, and "leave open" is written horizontally at the bottom of the base.
