Special Instructions

Note: Before proceeding, read the *general stitching and beading instructions*.

Throughout stitching this project, refer to the *stitch and bead diagrams*, *button diagram* and *coupon card*.

Step 1: Do all stitching first as charted, with designated colors of floss before attaching the beads. **Exception:** see step 2.

Step 2: Attach all beads as charted, with designated stitches and floss colors. Stitch the *Bahama blue beads* on the background while stitching the medium turquoise background floss. Wherever the following cross stitches and beads are in the same area, stitch them simultaneously: *brilliant magenta beads* and light magenta cross stitches; *brilliant orchid beads* and dark purple cross stitches; *orange beads* and orange cross stitches; *grasshopper bead* and green cross stitches. For all other areas, stitch beads after cross stitching is complete.

Step 3: Border around mask: Stitch *petite Victorian gold beads* designated in this symbol and the *ice beads* simultaneously with a *half cross stitch* - stitch one ice, one petite Victorian gold, one ice, one gold, etc. *Stitch other petite Victorian gold beads designated in other symbol with a cross stitch* and other ice beads with a half cross stitch.

Step 4: Bead Loop Fringe: Come to front at first designated symbol. Pick up four *brilliant magenta beads*, two *ice beads* and three *brilliant magenta beads*. Return needle into the first magenta bead and back into the same hole at the symbol. Repeat for remaining symbols making 15 loops in all.
