Instructions for Angel On My Shoulder Pin

Complete cross stitch, except for heart on heartstring and halo, over 1 on 14 ct. fabric. Trim fabric leaving 1½" all around finished angel. Cut another piece of cross stitch fabric the same size and place angel face down on top. Stitch all around by machine, leaving ¼" between finished design and machine stitching. Leave small opening for turning. Turn, stuff lightly with polyfil. Slip stitch opening closed. Attach pin to back. If desired, stitch heart on heartstring on perforated paper, trim all around edge of completed heart and attach to angel's hand with desired length of DMC 335. Now, pin her on your shoulder for all to see. When you take her off, place her beside the stitched poem to remind you of her special meaning.

Angel On My Shoulder (The Poem)

An angel on my shoulder
will surely show the way
to kindness, love, and peace on earth
through every passing day.

So place her very gently
and all you pass will know
that love when hidden dwindles
but love that's shown will grow.

Special Instructions:

1. Backstitch poem in color of your choice.
