THE CRICKET COLLECTION

Stocking Angels I

designed by Vicki Hastings

MODEL

The stockings are shown on 10 count "Winter White" Beisy Ross linen worked over one square and are designed to fit Adam Originals Cricket Stocking (#4C0930). Threads are worked as follows: five ply floss, 2 strands of #4 Metallic Braid, four ply Silk (of 12 ply strand), a single strand of 1/16 inch Metallic Ribbon and two strands of Nordic Gold. Metallic #4 Braid and 1/16 inch Metallic Ribbon is from Kricnik Manufacturing. Silk 'N Colors is by Threadgatherer. Soie Cristale is by Caron Collection. Nordic Gold is from Rainbow Gallery. Suggested DMC and Anchor floss substitutions for this collection of unique threads is listed to its right. Thread colors that have strong color variation have been simplified by the choice of only one of the many colors for the floss color suggested. Therefore, please note that the

choice of a substitute floss will cause the finished stitching to look somewhat different from the cover model . . . different, but still pleasing. Three 6mm gold jingle bells from Westrim Crafts (#3115/6) are attached at the X's. The small optional sequin stars are also by Westrim Crafts (#11410). To attach a sequin star use a single ply of the matching floss listed in the COLOR CODE and a sharp needle. Make five small stitches originating up through the center of the sequin to the bend at the juncture of each arm of the star shape. A colorful finishing touch is added to each stocking by the addition of twisted cording made from two skeins of the main color silk used to work each angel's tunic. In other words, the tunics and cording match on each stocking. Attach by slip-stitching to finished stocking. Enjoy!
