Note: Attenzione!!!

Gli schemi che sono proposti su più pagine, presentano su alcuni fogli due righe di quadrettini leggermente ombreggiati, queste righe in ombra NON VANNO ricamate, in quanto sono solamente un richiamo ed indicano che da quel lato del foglio esiste ancora parte di schema. Sono quindi righe ripetute e sono state ricamate con l'altra parte di schema. Eventuali colori della DMC soppiantati e non più disponibili possono essere sostituiti con i corrispondenti di altre marche, tipo ANCHOR, ecc. usando le opportune tabelle di conversione.
