

*Amigurumi doll base pattern  
#byMaryzhyk*

*NOW IN ENGLISH ;)*

## Tools and materials:

- Yarn (I used Maxi: 100% cotton, 100 g /565 m)
- Crochet hook size 1 mm
- Polyester for stuffing
- Wire (copper 1 mm) - 125 cm
- Scissors, sewing needle

You'll get a doll base of 24 cm (9,5 inch) height using the above mentioned materials.

The description does not include instructions for the wire frame creation - there are lots of information about that on the Internet.

## Abbreviations:
