The grid contains a complex pattern of symbols and numbers. The symbols include letters (T, S, H, 8, V, D, R, W, C, Z), numbers (1, 2, 4, 5, 8), and various geometric shapes (arrows, triangles, circles, lines). The numbers 1, 2, 4, 5, 8 are used to indicate the frequency or count of a symbol in a specific cell. The pattern is dense and covers most of the grid area.
