This table represents a cross-stitch pattern for 'WO257 big Tour Of Inspection'. The grid covers rows 300 to 370 and columns 180 to 280. The symbols are arranged in a regular grid and include various letters (A-Z), numbers (0-9), and geometric symbols such as crosses, dots, and squares. The symbols are used to define the colors and stitch directions for each point in the design. The pattern is a 'big' version, indicating it is a large-scale design.

The image displays a large grid of symbols for cross-stitching, organized into columns and rows. The columns are labeled at the top with the numbers 670, 680, 690, 700, and 710. The rows are labeled on the left side with the numbers 300, 310, 320, 330, 340, 350, 360, and 370. Each cell in the grid contains a small symbol, often accompanied by a number. These symbols represent different types of cross-stitch stitches and their placement within a grid. The symbols include various letters (e.g., A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, X, Y, Z), numbers (e.g., 1, 2, 3, 4, 5, 6, 7, 8, 9), and geometric shapes (e.g., squares, diamonds, crosses, lines). The symbols are arranged in a regular, repeating pattern across the grid, indicating the sequence and placement of stitches for a specific cross-stitch design.
