Materials:

- 2 black 6mm security eyes
- Embroidery thread for the details on the dress
- Scissors
- Stuffing
- Tapestry needle
- Stitch marker
- Pins
- Ribbon for the shoelaces

Abbreviation/US terminology:

blo	-	back loop
ch	-	chain
dc	-	double crochet
dc3tog	-	double crochet three together
dec	-	decrease
flo	-	front loop
hdc	-	half double crochet
inc	-	increase
rnd(s)	-	round(s)
sc	-	single crochet
sc3tog	-	single crochet three together
slst	-	slip stitch
st	-	stitch
tr	-	treble stitch
(...)	-	number in parentheses indicates the number of stitches at the end of the round
...	-	repeat instructions x times or to the end of the round
{...}	-	work the stitches all into the same stitch

Notes:

- Do not join rounds, work in a **continuous spiral** unless otherwise stated.
- Change your yarn always in the **last step of the last stitch**.
- I mostly go up with a **standing sc, hdc or dc** instead of ch 1, ch 2 or ch 3. That looks much neater.
- Fasten off your work always with **needle join** and you'll get a neat result.
- Stuff your amigurumi **as you go**. I use a chopstick for that!
- Use a **stitch marker or a piece of yarn** to mark the beginning of a round.
- Snowflake using the materials described is ~11 inches / 28 cm tall.
