# Crochet Pattern

## *Autumn Girls*

*Design by K. Godinez*

<http://amilovesgurumi.com/>

**Material:**

- crochet hook size 2.5
- Catania wool from Schachenmayr in the colors white, purple, ecru, brown for the doll and different colors for the clothes
- fiberfill
- pipe cleaner
- 2 Safety Eyes 6 mm/ 0.24 inches
- sewing needle
- pins
- glue
- wooden skewers
- small button for the jacket

**Size:** The doll has a height of 14 cm / 5,51 inches

**Abbreviations:**

ch - chain

st - stitch

R - round or row

sc – single crochet

Number x sc – the number tells you how many times you make a single crochet (or a dc, hdc ...) in each stitch

inc - make two single crochet in one stitch

dec - two stitches crochet together with a sc

sl st - slip stitch

hdc – half double crochet

dc – double crochet

dcinc – make two double crochet in one stitch

**BLO** – back loops only

**FLO** – front loops only

**sc with color change:** change the color on this sc (when you make this single crochet stitch, grab the new color of your wool and pull it through the two loops on your hook).

**Note:** Unless indicated otherwise, parts are worked in rounds. You can start with 2 ch or make a magic ring. It is important to mark the beginning of your round with a thread mark.

The arms and legs can be stuffed or you can put pipe cleaners inside. I used pipe cleaners and I really liked the result. This way the doll is stable, but also very flexible.

Leave a long thread for sewing to the body and cut it. Stuff the arms or pull in a pipe cleaner.

After the last row, the pipe cleaners can be pulled inside the leg. It is also possible to pull the the pipe cleaners inside after connecting the legs.

**First leg:** sl st, cut the thread, don't remove the thread mark for the rows

**Second leg:** crochet until last stitch of R 14, then hold first leg close to the second and and keep on crocheting in the 3<sup>rd</sup> stitch before the thread mark: Continue with R 15
