Hair:

Sew the head on body and using pins mark the line of hair. Than take the needle and light purple yarn (Limone or Camilla) and embroider the hair in the same way as e.g. at Waldorf dolls. Here you can see some pictures.

First sew on hair around the line you marked, than start from the bottom, sew hairs in rows up to the forehead.

You can either sew on each hair separately – one by one or you can make sort of loops which you later cut in halves (here I made each hair little bit different length and after all hairs were sewn on I cut it to haircut and length I wanted).

Sew all parts together. Use black color to embroider the mouth.

Patch – heart: light purple color

Start with the loop

1st row – crochet 1 Ch into the loop (as the beginning) and than, 1 SC, 1 DC, 2 TC, 1 DC, 5 SC, 3 DC, 5 SC, 1 DC, 2 TC, 1DC, 1 SC and Sl St., fasten off

Sew the patches on dress and hat; if you want you can also use some buttons to decorate the dress and use black thread to embroider stitches around patches. Embroider (or sew on) shoe laces on darker purple part of legs and tie them.

Use round wooden stick and some (birch) sticks to make broom.

You can sit the Witch somewhere or she can “fly” in the space or be hanging on the wall. If the Witch hangs on the wall, do not make her “sit” on the broom, just attach the broom to one hand as if she was holding it. If the Witch is going to “fly” in the space, sew both hands to the broom and attach her bottom to it too so it would look like she was really flying.
