Mar 27, · I removed all PMDG files from my computer and uninstalled FSX and then installed FSX and the PMDG only went for a fly and it stalled before getting to FL Fuel and payload through the PMDG program as stated in manual. PMDG's "Queen of the Skies" is an add-on that should be in the library of every Microsoft Flight Simulator owner. With a little homework, pilots will be cruising the skies in short order, and still be discovering the depths of her intricate systems months into the future. This FSX repaint for the PMDG X Queen of the Skies depicts the Aerologic livery, based on the current scheme found on their Freighters, on the new F Freighter variant from Boeing. The aircraft was hand painted using the PMDG paintkit and features DDS DXT5 textures. PMDG X for FSX and /8F add-on packages are BOTH. I'm looking at purchasing the PMDG Queen of the Skies II - Expansion Package for FSX for my boxed version of X (from Aerosoft) and I am wondering if the newer download will work with the older boxed version of X? As anyone mixed the two? If so, did you have any issues? Thank you for your help. Mike. Jan 20, · Microsoft Flight Simulator X: Steam Edition > Support Forum > Topic Details. Perriwen.
