Discover how corruptible you are in Overlord, the twisted fantasy action adventure where you can be evil (or really evil). In the. Overlord creates that often wished for magical portal between After Effects and Illustrator. You can just pass shapes back and forth as you need them. It's amazing. It's what the integration between AI and AE should have been from the beginning. No more prepping, converting, or recreating vector shapes. I for one, welcome my robot Overlord. The action adventure Overlord does not take itself seriously, by caricaturing popular fantasy scenes. Impersonating a gallantly animated Sauron-copy, the player tries to help the evil coming back to its former strength. Equipped with a dark armor and a deadly, broad ax you slog away at elves, dwarves and hobbits - in a magnificent 3D fantasy world.
