In Periphery II, there is definitely a noticeable difference between. This is my first rodeo with Periphery, and I'm not gonna lie I had a pretty decent time with this album. Not a great time, but it was far from a bad time. It sounds a little generic in places (a lot of this reminds me of if Coheed and Cambria incorporated goddamn Djent into their sound) but it's still a nice little headbanger of a metalcore. album: "Periphery II: This Time It's Personal" () Muramasa.
