This page only gives very basic information, for the detailed information about building and developing L2J Server, please visit the developers forums. L2j Server H5. 4/11/by admin. I am trying to get some help with my L2J H5 server. I've always been a huge fan of this project but I am definitely a newb when it comes to this stuff so I am not sure what I should try. My server runs great. I just got the latest build and loaded it up. · For a high rate server, it's actually not bad, from the moment you start, you have some automated scripts, that auto equip you with d grade when you reach lvl 20 (wich is in like 2 min at most), gives you suggestion if you want to teleport to new grinding zone with just 1 click, depening on the level, so you level up.. pretty fast, this beeing the reason i probably got temp banned, needed. L2j Server H5 Download. Because many people ask me to do compile from SVN, I will give some ready sources. I do not have the courage and the time to do it all . · L2J / l2j-server-game.
