Give your brain a little exercise and look for the ways you can connect the pipes. The game is simple yet challenging with endless plumber puzzle challenges you will get immersed in the game. My y/o son and his friend absolutely LOVED these pipes and the cogs, as well! We go them for vacation. They played for so long and didn't want to get out of the tub! I love the creativity it induces. I also LOVE the fact that you don't have to worry about mildew like the toys that suck water into them and can get left there.
