Yardage: color A (yellow): 20 yds, color B (green): 7 yds

Other Materials: poly-fil stuffing, 9mm safety eyes

Notes

- *Checking your gauge is not required for this pattern. Use a hook that is smaller than the size recommended for your yarn weight. This will ensure that your stuffing will not show through the stitches.*
- *Pineapple is worked in the round. Use a stitch marker to indicate the beginning of each round.*
- *Invisible decreases are recommended. Please see "Special Stitches".*
- *Safety eyes and noses pose a choking risk for babies; therefore, if making this toy for a baby, I recommend using yarn, felt, or embroidered details.*
- *Pineapple requires stuffing. Stuff as you work to ensure the piece is completely filled.*
- *All tutorial photos referenced in this document are available at the end of this pattern, or in sequential order in the full-color, formatted PDF that was included with your purchase.*
